|            |        |
| Wafer Size | 200 mm |
|            |        |
|            |        |

## General Product Information

|                   |              |
|-------------------|--------------|
| Vendor Supplier   | Lam Research |
| Model             | SEZ SP223    |
| Vintage           | 2007         |
| Serial No         |              |
| Asset Description | CT0078_M7    |
| Software Version  | 5.5.2000.1   |
| CIM               | GEM 4.7.5.3  |
| Process           | metal Clean  |

# Hardware Configuration

| System Type       | Description                                    | Quantity | Status |
|-------------------|------------------------------------------------|----------|--------|
| Handler System    | 2 process chamber single wafer handler ATM 407 | 1        | OK     |
| Factory Interface | SMIF                                           | 4        | OK     |
| Options System    | CDS                                            | 3        | OK     |
| Others            |                                                |          |        |
| Main System       | Main Unit                                      | 1        | OK     |

| Description | Quantity |
