

ADVANTEST

V93000 Description:

- Advantest Verigy V93000 PS1600B tester
- Condition: excellent working condition
- Configurations:
 - PS1600B: (Qty: 1)
 - FVI16: (Qty: 2)
 - AVI64: (Qty: 2)
 - Pin Scale 1600/1600-MEG, Time Measurement Unit, perpetual per pin floating license: (Qty: 8)

Line No.	Product Number	Product Description	Qty	UOM
1.0	E8000SYS	V93000 SOC Series System	1	EA
		V93000 System Infrastructure		
		Compact Test Head	1	EA
		DUT Scale interface CTH with hard docking, no DPS/util cables	1	EA
		Manipulator, extended weight handling, Compact Test Head, manual operation	1	EA
		20m hose kit with 2 hoses for compact (16-slot/8-slot) test head	1	EA
		18kW Cooler	1	EA
		1.5m Site Water hose kit no magnetic valve, no leakage sensor for cooling unit	1	EA
		E2760FAE/E2760FAT/E2760FAX Leakage sensor option for	1	EA
		E2760FAE/E2760FAT/E2760FAX cooling unit	1	EA
		Legacy kit for coupling E8014A to cooling unit	1	EA
		E2760FAE including rectus couplers & CIF cable adapter		
		Universal DC/DC power unit for test head	4	EA
		System clock unit	2	EA
		Power control unit for test head	2	EA
		4-row pogo block for utility lines	8	EA
		Pogo cable set for utility lines for DUT Scale interface, for 2- and 4-row pogo block	1	EA
		4 jack-up screws to bring enh. DUT IF into maint. pos.	1	EA

Docking & Interfacing				
		SOC SERIES HANDLER PLATES	1	EA
		Adapter plate for hard docking to handler		
		93k SOC system control unit	1	EA
Diagnostic & Calibration Tools				
		Diagnostic interconnect DUT board for digital, MX, DC and MUX	1	EA
		Diagnostic Board for FVI16 Floating Power VI, and UDPS	1	EA
2.0	E8000UPGRADE	V93000 SOC Series Upgrade	1	EA
Diagnostic & Calibration Tools				
		Focus calibration cable to Agilent 3458A DMM	2	EA
3.0	3PP-SOCV	3rd Party Products for SoC V Series	1	EA
		Digital Multimeter	1	EA
		High Stability 4ppm per year	1	EA
4.0	SSXXTCISOM-INTEGRATION	TCIS integration	1	EA
System Controller				
		High Performance ONLINE Workstation Bundle HP Z4 G4, CIC, 2xRS232	1	EA
		Flat panel display for System Workstation	1	EA
		LAN/GPIB gateway kit (incl. Agilent E5810B)	2	EA
		Power cord - China	5	EA
Additional Software Tools				
		Xpress Data Mode, Smart Scale or PSRF, perpetual system license, floating	1	EA

Digital Resources

Pin Scale 1600B Digital Card - extended memory	1	EA
Standard Pogo Cable for Pin Scale 1600 (8 x 16 pins)	1	EA
Pin Scale 1600/1600-ME/9G, Time Measurement Unit, perpetual per pin floating license	8	EA

Device Power Resources

DC Scale Floating Power VI Source FVI16	2	EA
Pogo cable for floating power V/I source, 16 channels	2	EA
DC Scale FVI16 - Base capability license (8 channels, 30V power range), perpetual per board floating	2	EA
DC Scale FVI16 - Base capability extension license (8 to 16 channels, 30V power range), perpetual per board floating	2	EA
DC Scale FVI16 - 30V to 60V power range upgrade, perpetual per channel floating license	32	EA
DC Scale FVI16 - 60V to 120V high voltage mode upgrade, perpetual per channel floating license	32	EA
DC Scale AVI64 - Universal Analog VI, 64 channels	2	EA
DC Scale AVI64 - Pogo cable, 64 channels	2	EA
External utility power supply for ATH & /CTH	1	EA
Short cable for utility power within ATH & CTH	1	EA
Short cable for utility power between supply and ATH & CTH	1	EA
Board to ensure Utility line specification for special system configurations	1	EA
